 3. Appoint Mr. Xu Er-ming as independent supervisor of the seventh Supervisory Committee of the Company with annual remuneration of RMB100,000 to RMB150,000.

By order of the Board
Harbin Electric Company Limited
Liu Zhi-quan
Company Secretary

Harbin, PRC, 12 November 2012

Registered Office of the Company
Block 3, Nangang High Technology Production Base
Harbin, Heilongjiang Province
People's Republic of China

Office Address of the Company
Block B, 39 Sandadongli Road, Xiangfang District
Harbin, Heilongjiang Province
People's Republic of China

Note

1. For the purpose of determining the list of shareholders entitled to attend and vote at the EGM, the Company shall temporarily suspend changes to the register of shareholders from 6 December 2012 to 4 January 2013 (both days inclusive). Shareholders whose names appear on the register at the time of the suspension of registration shall be entitled to attend and vote at the EGM. Person who purchased shares of the Company during the period of suspension of registration shall not be entitled to attend the EGM.

In order to qualify the attendance at the EGM, all transfers documents, accompanied by the relevant share certificates, must be lodged with the Company's Registrar, Hong Kong Registrars Limited at Rooms 1712-1716, 17th Floor, Hopewell Centre, 183 Queen's Road East, Wan Chai, Hong Kong no later than 4:00 p.m. on 5 December 2012.

2. Shareholders intending to attend the EGM shall give written notice of the same to the Company, which shall be lodged at the office address of the Company before 4:00 p.m. on 14 December 2012.
3. A Shareholder entitled to attend and vote at the EGM is entitled to appoint one or more persons (whether or not a shareholder) as his proxy to attend and vote on behalf of him.
4. To be valid, the form of proxy, together with a duly notarized power of attorney or other document of authority, if any, under which the form is signed must be deposited at the office address of the Company not less than 24 hours before the time appointed for holding the EGM.
5. Ms. Lu Chun-lian and Mr. Zhang Wen-ming are elected by all the staff as supervisors representing staff and workers of the seventh Supervisory Committee of the Company.
6. The brief particulars of the directors and supervisors to be elected are as following:

The brief particulars of the members to the seventh board of directors to be elected:

Mr. Gong Jing-kun, born in July 1958, a senior engineer with a doctor's degree, now chairman of the Company and Harbin Electric Corporation ("HE"). Mr. Gong was graduated from Shenyang Institute of Machinery and Electronics in 1982. Later on, he obtained a doctor's degree from Harbin Institute of Technology. Mr. Gong joined HE in 1982. He was deputy director of production division in the former Harbin Electric Machinery Works, deputy manager of production department, manager of hydropower workshop of the Group, and general manager assistant and deputy general manager of the Electric Machinery Company of the Group. Mr. Gong was appointed as chairman of Archeng Relay Group Company and Archeng Relay Company Limited in 1999. In August 2000, he was appointed as deputy chairman and general manager of HE and in September, Mr. Gong was appointed as deputy chairman of the Company. In May 2006, he was appointed as chairman of HE and on 29 September, chairman of the Company.

Mr. Zou Lei, born in June 1966, a senior economist with a doctor's degree, a director of the Company and director and general manager of HE. Mr. Zou was graduated from Jiamusi Technical College in July 1988, and was conferred a bachelor's degree in mechanical design and manufacture. Then he obtained a doctorate degree from Harbin Institute of Technology. Mr. Zou joined HE in August 1988 and was the dispatcher in dispatching room of production division in the former Harbin Boiler Works, Party office secretary, league deputy secretary and secretary, and Party branch secretary of pipe first branch factory, factory director of heavy vessel workshop, factory director of Pingshan branch factory, production director, deputy general manager, chairman, general manager and party committee deputy secretary of Harbin Boiler Company Limited. In December 2008, Mr. Zou was elected as standing committee member of the Party Committee, director and general manager of HE. He has been a director of the Company since 11 February 2009.

Mr. Zhang Ying-jian, born in November 1964, a senior engineer with a master degree, now deputy general manager of HE. Mr. Zhang was graduated from Thermophysics Engineering Faculty of Tsinghua University in July 1988 with a bachelor's degree, majoring in gas turbine. Then he obtained a master degree from Harbin Institute of Technology. Mr. Zhang joined HE in 1991 and was the engineer, project manager, business representative and deputy director of the project division in the former Harbin Power Station Equipment Import And Export Company, deputy chief engineer as well as deputy manager of the planning and finance division in the former Harbin Power Engineering Company Limited and the company's deputy general manager. He has been a deputy general manager of HE since September 2007.

Mr. Song Shi-qi, born in December 1958, a senior politic official, now deputy general manager of HE. Mr. Song was graduated from Harbin Electrical Machinery Plant Technical School in 1980. Then he obtained a postgraduate degree from Heilongjiang Provincial Committee Party School, majoring in economics and management. Mr. Song joined HE in 1980 and was the league member, deputy secretary and secretary and deputy party secretary of special power branch in the former Harbin Electrical Machinery Works, standing committee member of the Party Committee, director of the organization department in the former Harbin Power Plant Equipment Group Corporation and the Company as well as assistant to general manager of the Company. He was appointed as deputy party secretary and secretary of discipline committee, director, executive deputy general manager, party secretary and deputy chairman of the Electrical Machinery Company of the Group since 1998. He has been a deputy general manager of HE since August 2009.

Mr. Wu Wei-zhang, born in July 1962, is a senior engineer at researcher level with a doctor's degree. He now serves as an executive director and the general manager of the Company. Majoring in Hydraulics and River Dynamics, Mr. Wu was graduated from Tsinghua University with a master's degree in 1988 and joined HE in the same year. Mr. Wu was deputy director and deputy head of the turbine department of Electrical Machinery Institute, deputy manager of hydropower workshop, deputy chief engineer and deputy manager of the product design department of the Electrical Machinery Company of the Group. Mr. Wu was appointed as the deputy general manager of the Electrical Machinery Company of the Group in 1999 and then the chairman and general manager in October 2000 respectively. He was appointed as an executive director of the Company in September 2000. Mr. Wu obtained a doctorate degree at Tsinghua University in 2002. He also holds various social positions, including the director general of the large electrical equipment branch of China Electrical Equipment Industrial Association, a directorate member of the water turbine special committee of China Power Project (中國 工程), a directorate member and secretary general of China Water Turbine Standardized Technology Committee (中國水輪機標準化技術委員會) as well as an adjunct professor of Harbin Institute of Technology and Huazhong University of Science and Technology. Mr. Wu has been serving as the general manager of the Company since February 2010.

Mr. Shang Zhong-fu, born in March 1961, is a senior engineer at researcher level with an MBA degree. He now serves as an executive director and deputy general manager of the Company. Majoring in steam turbine, Mr. Shang was graduated from Harbin Institute of Technology in 1982 and joined HE in the same year. He has been an

assistant section head and deputy head of the Design Research Institute, deputy chief economist and deputy chief engineer of the former Turbine Works of the Group. He was appointed as a deputy general manager of the Turbine Company of the Group in October 1998 and then the chairman and general manager in November 1999 respectively. In September 2000, he was appointed as an executive director of the Company and in February 2002, as a deputy general manager of the Company.

Mr. Sun Chang-ji, born in August 1942, a senior engineer at researcher level, is an independent director of the Company and special advisor to China Machinery Industry Federation, and deputy head of the advisory committee for State Nuclear Power Technology Corporation. Mr. Sun was graduated from Tsinghua University in September 1966, and started his career in 1968. He worked in Sichuan Oriental Turbine Factory, serving as Section Head, Workshop Director, Deputy Factory Manager and Factory Manager. In January 1991, he was appointed as Deputy Director-general of the production department of the Ministry of Machinery Industry of the PRC, and later he became Vice Minister of the Ministry of Machinery Industry of the PRC in April 1993. In April 1998, he became First Deputy Director-general of the State Administration of Machinery Industry of the PRC (deputy ministerial level). He became Deputy Party Secretary and Vice President (deputy ministerial level) of Bank of China in January 1999, and served concurrently as President of China Orient Asset Management Corporation for the period from September 1999 to August 2001. He also became Vice Chairman of Bank of China in November 2000, Vice Chairman of Bank of China (Hong Kong) Limited in September 2001 and Secretary of Commission for Discipline Inspection of Bank of China in June 2003. He has been appointed as Vice Chairman of Bank of China (Hong Kong) Limited since August 2004 and became Vice Chairman of China Machinery Industry Federation. He was elected as member of the 10th CPPCC National Committee in January 2003, and deputy head of the Preparatory Team for State Nuclear Power Technology Corporation in October 2004. Since December 2009, he has been an independent director of the Company.

Mr. Jia Cheng-bing, born in July 1942, a senior engineer with a bachelor's degree, is an independent director of the Company, special advisor to China Machinery Industry Federation, and president of China Foundry Association. He was graduated from Hefei University of Technology in Foundry in 1965, and started his career in July of the same year. He served as chief and deputy chief at Ministry of Machinery Electronics Industry and Ministry of Machine Building Industry, director of Personnel and Labor Division, head of office and Party Commissioner at Ministry of Machine Building Industry. From March 2001, he served as chairman of the Supervisory Committee for various large State Council organizations (China National Materials Industry Group, China State Shipbuilding Corporation, and The State Development and Investment Corp.). In February 2006, he was appointed as deputy managing director and special advisor to China Machinery Industry Federation and president of China Foundry Association. He has been an independent director of the Company since September 2006.

Mr. Yu Bo, born in October 1960, is a professor with a doctor's degree, tutor for doctoral candidates, independent director of the Company, dean of School of Management at Harbin Institute of Technology ("SMHIT"). Mr. Yu was graduated from industrial electric automation, Harbin Institute of Technology in 1981, and began his career from 1982. He was a tutor, lecturer, associate professor, professor of SMHIT.

He became director of Management Department of SMHIT in 2000, director of MBA School of SMHIT in 2002, and assistant to dean of SMHIT, director of MBA School in 2003, dean of SMHIT in 2008. Mr. Yu is also a deputy director of Energy System Engineering Committee of China Energy Research Society, a member of National MBA Education Committee, a member of Military Technology Administration of China Ordnance Society, a councilor of Chinese Society of Technology Economics, a member of Space Technology Committee of Beijing Society of Astronautics, a councilor of Aerospace Research Society, a councilor of Heilongjiang Provincial Budgetary Council, an industrial expert of Heilongjiang Science and Technology Consultation Committee. He has been appointed as independent director of the Company since December 2009.

Mr. Liu Deng-qing, born in November 1970, is a doctor in management studies of Tsinghua University, independent director of the Company, a CPV, CREA, and CMRA (Certified Mining Rights Appraiser) of China. He is one of the first Top Ten Youth Appraisers; a partner, vice president and chief appraiser o

parts company, deputy secretary and chairman of Labor Union of No. 2 Pipe Workshop, secretary and head of Drum Workshop, head, director of Security Department and secretary of No. 1 Pipe Workshop. He has been appointed as the director of the Corporate Management and Development Department of the Boiler Company since August 2009. He has been a Supervisor Representing Shareholders of the Company since December 2009.

Mr. Xu Er-ming, born in December 1949, a professor and supervisor of Ph.D. candidates with a doctorate degree, is an independent supervisor of the Company and Deputy Dean of the Graduate School of the Renmin University of China. Mr. Xu was graduated from the Department of Industrial Economics of Renmin University of China in 1978 and stayed at the university after his graduation, where he worked as a tutor, lecturer, associate professor and professor. He was appointed as the director of office for Canada-China Management Education Program of the Renmin University of China in 1991, and later the deputy director of the Department of Industrial Economics, the deputy director of the Center for Business Administration Education and the deputy director of Institute of Foreign Economic Management of the Renmin University of China at the same time.
